

STRATEGIC EXECUTIVE PROPOSAL

TURNING LIVE EVENTS INTO A BORDERLESS ECONOMY

Scale Liivrr from real-time discovery into an AI-agentic, globally monetized event ecosystem financed through non-dilutive funding.

EXECUTIVE CANDIDATE

COO & HEAD OF BUSINESS DEVELOPMENT

01 / WHY NOW

THE EVENT STACK IS STILL FRAGMENTED

FRICTION

LEGACY RAILS

High processing costs, regional currency silos, chargebacks, and scalping erode value.

PRODUCT

LIVE SOCIAL LAYER

Unify discovery, community, content, ticketing, and local commerce around real-time intent.

LEVERAGE

CAPITAL EFFICIENT

Use milestone-based ecosystem grants to validate infrastructure without diluting equity.
